"We're all (getting through) this together." People "behind the scenes" at FBC Waldport have been working doubly since the pandemic, serving with grace as they've learned radio transmission, Zoom technology working through all the glitches, and Covid-19 protocol to keep everyone safe. Others have gone behind the scenes to supply needs to those shut in, encourage the lonely, and pray for the hurting. Tell someone "thank you" this month in email, a note, text message! Christians of all people should display grace and courtesy to one another.
